Fort Saint George, Revenue Consultation of 7th April 1857.

No. 24. Read the following *Extract from the Minutes of Consultation in the Military Department, dated 17th March 1857, No. 853.*

Read the following letter *from Lieut. Col. A. McCALLY Commissary General; to the Secretary to Government in the Military Department, Fort St. George, dated Madras 14th March 1857, No. 53.*

SIR,

Adverting to the Extract from the Minutes of Consultation,* I have the honor to report for the information of the Right Honorable the Governor in Council that on the receipt of it, I desired Captain R. L. J. Ogilvie, Acting Assistant Commissary General at Jackatalla, to place himself in communication with the Officer commanding the station and the Collector of Coimbatore for the purpose of establishing two arrack shops in the cantonment of Jackatalla.

* *Dated 26th August 1856, No. 2134.*

Mr. Collector Thomas was of opinion that to prevent any collision between the two departments, the civil abkarry contractor should be permitted to establish the arrack shops under the usual restrictions; but the contractor states that the establishment of one shop at Jackatalla would involve the necessity of establishing two more shops at Coonoor, and as I did not understand why such necessity should exist. I requested the Superintendent of Police at that station to explain, and I beg to enclose copy of that officer's report†.

† *Dated 4th March 1857.*

From a communication since received from the Adjutant General of the Army, I find that the subject is now under the consideration of His Excellency the Commander-in-Chief, and I beg to express a hope that as the establishment of these arrack shops was recommended by the Military and Medical authorities, with the sole view of diminishing the crime of drunkenness amongst the camp followers and others residing within the cantonment of Jackatalla, His Lordship in Council will be pleased to issue such orders in the Revenue Department as may enable the Officer commanding and the Superintendent of Police of that station to carry out the measure sanctioned by Government.

From Captain R. OGILVIE, Assistant Acting Commissary General S. P. to the Commissary General of the Army; dated Madras 4th March 1857, No. 233.

SIR,

I have the honor to acknowledge the receipt of your letter dated 27th February 1857, No. 4920 and to state the reason given by the Civil Contractor for desiring to establish two more arrack shops at Coonoor was that he had previously been deprived of his arrack shop at that station, and also in the neighbourhood of Jackatalla on the arrival of the European Troops at the latter station, and that on these grounds he required the restoration of one shop at Coonoor if one was established here.

His reasons did not appear to me very cogent, nor did they bring conviction to my mind of the necessity of having a corresponding shop at Coonoor; but as I have found out since the measure was recommended by me that Mr. Thomas was very averse to the step altogether, I was not sorry to avail myself of the conditions demanded by the Civil Contractor.

Referred to the Board of Revenue for report as to the best arrangement that can be made for opening two Arrack Shops in the Cantonment of Jackatalla. They will be good enough to state if there are at present any objections to allowing the Civil Contractor to establish a similar shop at Coonoor.

in Communication with the Officer Commanding the Station and the Collector of Coimbatore for the purpose of establishing two arrack Shops in the Cantonment of Lachatalla.
