SIR,

In reply to Extract Minutes Consultation under date the 26th March 1857, I am directed by the Board to state that the Chief Engineer has not yet furnished the Board with copy of the rules he would propose for the Department of Public Works. When* that reaches the Board they will be in a position to submit at an early date notifications for the Examination of the whole uncovenanted body, revised as directed by Government.

* *A second time called for.*

No. 27. ORDER THEREON, *No.* 323; *dated 3d April* 1857.

The Board of Examiners explain that the submission of the revised notification called for in the orders of Government noted in the margin, regarding the examination of Uncovenanted Servants is delayed in consequence of the non-receipt from the Chief Engineer of the rules he may propose for the examination of the servants of the Public Works Department.

Ex. Min. Con. 30th January 1857, *Nos.* 113 *and* 114.

2. The Government did not intend that the scheme for the examination of the servants of the Public Works Department should be submitted together with the notification alluded to above. In para. 2 of Extract Minutes of Consultation dated 30th January last, No. 113, they requested the Board to submit the former in a supplemental notification, as it must be fully considered. The Board of Examiners will therefore be good enough to submit the other notifications which have been finally settled as soon as possible.
