Extract from the Minutes of Consultation
Under date the 6th April 1857.

Read the following
Letter from the Acting
Sub Secretary to the
Board of Revenue

(Hereunto 20th March/57 pt 1887)

The Government
observe that the Index
kept in the Boards Office,
a specimen of which
accompanied the Proceed-
ings above recorded, is
not an alphabetical
Index with sufficient
~~by~~ copious abstracts of
each paper as the Govt.
suppose ~~practicable~~. So

As it is, the Index can be kept in each Collector's Cutcherry by a writer of ordinary qualifications. The arrangement of the general heads of the correspondence into alphabetical order would be an improvement on the present plan. In the Collector's offices the whole of correspondence on several important subjects must be very frequently collected for reference, and if lists of such correspondence were at once made out into a book under proper alphabetical arrangement much time and

333/13 and labor would be saved when the same correspondence was required for subsequent period.

2. The Board of Revenue will be good enough to call upon the Collectors of Tanjore, Coddapah and Tanjore for explanation as to the cause of delay in the submission of Statements of actual Charges on account of Extra Establishments for Fasly 1265 and to submit them as soon as possible.
