SIR,

With reference to Extract Minutes Consultation dated 11th July 1856, No. 716, Revenue Department. I am directed by the Board of Revenue to submit for the information of the Right Honorable the Governor in Council the accompanying Statement shewing in detail the component items of the charges of the Salt Department of this Presidency for Fusly 1264, A. D. 1854-55.

2. In framing the above Statement the Board have been struck by the marked disparity that exists in the amounts credited to the several heads "salary of establishment" and "extra Saderwared charges," and they are led to suspect that in some instances items may have been entered under different heads in the different Districts.

3. With the view of introducing uniformity of system, they will draw the attention of the Collectors to this point, but they do not deem it necessary to delay the submission of this Statement until they are in possession of the information required.
