Fort Saint George, Revenue Consultation of 28th April 1857.

No. 28. Read the following *Extract from the Proceedings of the Right Honorable the Governor General of India in Council in the Financial Department under date the 20th March 1857, No. 1259.*

Read an Extract from the Proceedings of this Government in the Foreign Department No. 866 dated the 20th Ultimo forwarding with observations, a letter from the Officiating Secretary to the Chief Commissioner of the Punjab, No. 71 A, dated the 27th January last recommending a modification in the existing rules regarding travelling allowance to Officers employed upon Settlement duties and to their establishments which are required to halt and which are enabled to do so at a single spot for lengthened periods at a time.

Resolution.—The Right Honorable the Governor General in Council observes that under the Rules at present in force, Officers employed upon Settlement duties in the Punjab, while detached from Head Quarters, draw the full amount of travelling allowance whether actually travelling or encamped for any lengthened period on one spot.

It is now proposed that when halts are to be made for any period exceeding a fortnight by individuals whose movements are confined to a single District and for any period exceeding one month, by Officers having a larger sphere of operations, a reduced scale of travelling allowance be sanctioned.

This proposition appears to His Lordship in Council to be reasonable and he is accordingly pleased to determine that where halts exceed a fortnight or a month, according as the movements of the settlement Officers are confined to one or more Districts, only one half the present rate of travelling allowance shall be granted for the whole period of such halts, the rule being made applicable to all Settlement Officers and Deputy Commissioners.
