No. 44. ORDER THEREON *No.* 386; *dated 28th April* 1857.

The Government are not satisfied with the information furnished by the Acting Collector of Madras in the letter submitted with the Board's Proceedings recorded above. He says that from enquiries (it is presumed verbal) made through the quit rent Amildar, it appears that the washermen perform no service in consideration of the enam they hold, and that they are paid eight annas per mensem for service rendered in the Pagoda.

2. The Washermen may hearafter come forward and reasonably question the accuracy of the information obtained by the Amildar. The proper course for Mr. Cochrane was to have obtained the attendance at his office of the Washermen concerned, and the chief persons connected with the temple and to have elicited from them himself, in a formal enquiry, all the information necessary, and this the Board will be good enough to request him now to do, and report the result.

(Signed) H. FORBES,
Acting Secretary to Government.
