Fort Saint George, Revenue Consultation of 5th May 1857.

No. 55. Read the following *Extract from the Minutes of Consultation in the Public Department dated 17th April 1857, No. 85.*

Read the following Extract from the Proceedings of the Board of Revenue.

(Here enter 9th March 1857, No. 725.)

The Board of Revenue submit applications from two superannuation Pensioners for the commutation of their Pensions and enquire whether the orders of Government 31st October last apply to such cases, as well as to those of incumbents on the late Native Pension Fund.

2. It is observed that those orders intimated that the principle laid down by the Honorable the Court of Directors in their letter, Political Department 30th April, No. 3 of 1856, relative to the commutation of Carnatic Stipends, viz. that it was to be without limit in regard to the amount of the stipend; must be considered applicable to all Pensions and Yeomials of whatever description; but that such allowances as were in excess of the limit prescribed in the Board's *Agra Gazette 26th December 1855, C. O. Bd. Rev. N. W. P. No. 18-15 December 1855.* Circular Order of 31st July 1855, founded on that of the Government of the N. W. Provinces, were to be reported for the decision and orders of Government.

3. The Government have, however, subsequently received the orders of the Government of India, 30th January last, which enlarge the limit of life pensions purchaseable in the N. W. Provinces from 12 to 20 Rupees per annum as in the Punjab, and direct that this shall apply to all cases of life Pension payable by Government under all the Presidencies and administrations in India.

4. From this, the Government infer that it is not the intention of the Supreme Government that Pensions of a larger amount than 20 Rupees a year shall be commuted. The orders of 31st October last must therefore be considered withdrawn.

5. It is remarked that in both of the cases now under submission by the Board, the yearly pension is far beyond 20 Rupees.

Ordered that the foregoing Extract be recorded.

Extract from the Minutes of Consultation
Dated 17th April 1857.

Read the following
Extract from the Proceedings of the Board
of Revenue.

(Here enter 7th March 1857 No 725)

The Board of Revenue
submit applications from two Super-
annuation Pensioners for the com-
mutation of their Pensions and
inquire whether the orders of Go-
vernment 31st October last apply
to such cases as well as to those
of incumbents on the late Native
Pension Fund.

2 It is observed that those
orders intimated that the principal
said

laid down by the Honorable the Court
of Directors in their letter, Political Department
30th April No. 3 of 1856 relative to the Commu-
tation of Carnatic Stipends, Viz. that it
was to be without limit in regard to the
Amount of the Stipend, must be considered
applicable to all Pensions and Grants
of whatever Description but that such
allowances as were in excess of the limit
prescribed in the Board's Circular Order of
31st July 1855, founded on that of the Government of the
N. W. Provinces, were to be reported for the decision and orders of Government.

The Government have, however,
subsequently received the orders of the Govern-
ment of India, 30th January last which
enlarge the limit of life pensions payable
in the N. W. Provinces from 13 to 20
Rupees per annum as in the Punjab
and direct that this shall apply to
all cases of life Pension payable by
Government under all the Presidencies
and

and administrations in India. W
From this, the Government infer
that it is not the intention of the Supreme
Government that Pensions of a larger
Amount than 20 Rs. a year shall be com-
muted. The orders of 31st October last must
therefore be considered withdrawn.

It is remarked that in both of
the cases now under submission by the
Board, the yearly pension is far beyond
20 Rupees.
