No. 7. Read the following Extract from the Proceedings of the Board of Revenue; dated 17th April 1857, No. 1165.

Read letter from the Collector of Coimbatore, dated 14th March 1857,* requesting sanction for an advance to certain ryots to enable them to rebuild their houses destroyed by fire.

**In Consultation 17th April 1857.*

(Here enter No. 37.)

Resolved that the foregoing letter and its enclosure be submitted for the orders of the Right Honorable the Governor in Council.

2. The Collector reports that the Chickadasempolliem village situated at the foot of the Neilgherries has been totally destroyed by fire, and that the ryots are suffering great privation from the want of houses to live in. The village is the only one near the travellers' bungalow at Metapolliem, and the supplies required by European travellers halting at that place are chiefly procured from Chickadasempolliem. The Collector states that the ryots are unable to rebuild their houses themselves, and that the re-establishment of the village is absolutely necessary.

3. Under these circumstances, the Board support the Collector's recommendation that sanction be granted for making an advance of Rupees 1,000 to the ryots on condition that they agree to repay the amount within two years. Should the Government sanction this loan, the Collector will be requested to stipulate that the houses shall be substantially constructed with tiled roofs, and that the streets shall be properly laid out, and of sufficient width.
