Fort Saint George, Revenue Consultation of 12th May 1857

No. 39. Read the following Extract from the Proceedings of the Board of Revenue dated 5th May 1857, No. 1423.

* In Con. 5th May 1857. Read letter from the Collector of North Arcot, dated 23d February 1857,* submitting the Report required regarding the state of crime in the Poloor talook.

(Here enter No. 36.)

Resolved that the foregoing letter and its enclosures be submitted for the information and orders of the Right Honorable the Governor in Council, with reference to the Board's Proceedings dated 12th December 1856, paras. 6, 7 and 8, and the Extract Minutes Consultation dated 3d January 1857, No. 4, Revenue Department.

2. It will be seen from the Statement furnished by the Joint Magistrate that on a comparison of the 12 months preceding, with the year subsequent to the entertainment of the Extra Police Force, the number of the offences committed in the latter is less by one-half than that of those which occurred in the former period; but that notwithstanding the employment of the additional establishment, crimes of a serious nature are more frequent in Poloor than in the other talooks of the Sub-division. In the year previous to the employment of the Extra Peons, there were 26 cases of gang robbery and 25 of house breaking and theft; while in the succeeding 12 months, only 14 of the former and 11 of the latter offences were committed.

3. Mr. Whittingham now recommends that the additional Police Force be permanently entertained, and explains that his previous remarks on the Letter 23d September 1856, p. 3. subject " had reference to the question of the continuance of an extraordinary Establishment which had been granted for a limited period."

4. The number of Peons available for Police purposes, exclusive of the Extra Establishment, consists of one Duffadar and 10 Peons. The Board concur with the Magistrate and Joint Magistrate in considering that this force is insufficient for the protection of the people in a talook where crime is so rife. They therefore recommend that sanction be granted for the continuance of the Extra Establishment of 2 Duffadars and 20 Peons for a further period of 12 months, at a monthly cost of Rs. 94. The Statement forwarded by Mr. Sullivan would warrant the Board's recommendation that the additional Establishment should be permanently employed; but before entertaining such a proposition, Government would doubtless wish to know what is the aggregate number of Peons employed in the talook, and how they are apportioned to the Revenue and other Departments.

5. This information has been called for in a separate communication.

6. Adverting to para. 8 of the Board's Proceedings already quoted, the additional Joint Magistrate reports, in his letter to the Magistrate dated 31st January 1857, that only one case of Highway robbery has taken place on the Baulpully Ghaut up to the 11th September last, and that the property stolen on that occasion consisted of a cloth valued at 4½ annas.
