Pro. to Collector 18th April 1857.

No. 21. ORDER THEREON, No. 454; dated 15th May 1857.

The Government observe that since the date of Mr. Silver's letter, submitted with the Board's Proceedings above recorded, Mr. Plumer was appointed his Assistant, and that, in Minutes Consultation dated 5th Instant (Miscellaneous No. 44,) he was informed that the Government will take the earliest opportunity of giving him further assistance.

2. Mr. Silver remarks that the Accountant General forbids extraordinary sums being left in the Cashkeeper's hands, and that he is therefore frequently obliged to quit his settlement Cutcherry and to travel backwards and forwards to Tinnevelly. The Government presume that Mr. Silver refers to the orders contained in para. 7 of Minutes Consultation of 25th September 1852, No. 949, in which, upon the report of the Accountant General, it was ruled that the amount ordinarily to be left in the Cashkeeper's charge, should bear some, if not exact, proportion to the amount of security which he gives. In the immediately succeeding para. of the same Extract Minutes Consultation, it was provided that, in instances in which the Collector may be called on duty to a distance from the Hoozoor, and there may be no Assistant available for the charge of the Treasury, such amount of cash must be left in charge of the Cashkeeper as will suffice to meet the required disbursements until the Collector can return to the Hoozoor, or an Assistant can take charge, the circumstance being referred to the Board of Revenue. The Government are of opinion that the difficulties represented by the Collector might have been avoided.
