Fort Saint George, Revenue Consultation of 26th May 1857.

No. 9. Read the following Extract from the Proceedings of the Board of Revenue; dated 7th May 1857, No. 1456.

Read letter from the Collector of Chingleput, dated 22d January 1857,* forwarding a Statement shewing the actual charges incurred during Fuslies 1263 to 1265, both inclusive, on account of the entire Salt Establishment, compared with the sanctioned sums.

* *In Consultation 7th May* 1857.

(Here enter No. 32.)

Resolved that the foregoing letter and its enclosure be submitted for the information and orders of the Right Honorable the Governor in Council, with reference to Extract Minutes Consultation, dated 19th December 1856, No. 1331, R. D.

A complaint having been made by the manufacturers that the number of Peons attached to the Salt Cotaurs at Chunambut, &c., was insufficient for the protection of the Pans, the Board in their Proceedings, dated 20th January 1853, called upon the Collector to explain, under what circumstances the number of Peons allotted for this duty had, as alleged by Petitioner, been reduced.

Petition No. 2468 of 1852.

3. In his reply, dated 7th April 1853,† the Collector stated that the establishment of Peons at the Cheyoor and Chunambut Pans was reduced in 1838 to admit of an increase of pay to the Peshcar, &c., and that owing to the augmentation of the number of Cotaurs from four to six at the former place, only one Peon was allowed to each Cotaur at the Pans in question.

† *In Consultation 2d May* 1853.

4. To remedy this deficiency the Collector reported that he had made arrangements for transferring to Cheyoor 6 Peons from Covelong, where they had been relieved from the duties connected with the exportation of salt. In consequence of the increased manufacture of salt, the Collector at the same time requested permission to re-entertain the Shroff and two measurers, who had been temporarily discharged from the Salt pans at Vulloor, but whose names were retained on the fixed establishment of the District in expectation of their services being again required, and to employ the two latter as Peons at the Chunambut Pans. These measures were sanctioned by the Board on the 2d May 1853.

5. Subsequently however the Civil Auditor having objected to pass the pay of the Shroff and Peons for Fusly 1262, the Government, on the recommendation of the Board, authorized that officer to admit the charges.

1 *Peon at* 5 *Rupees per mensem.*

Rupees $8\frac{1}{2}$

6. Under this explanation, the Board again recommend that sanction may be granted for the re-entertainment on the permanent Establishment of the two Peons transferred from the Vulloor to the Chunambut Pans at a monthly cost of Rupees $8\frac{1}{2}$, to enable the Civil Auditor to pass the charges on account of these servants subsquent to Fusly 1262.

7. From the Statement furnished by the Collector, it will be seen that the arrangements made for the more efficient working of the Salt Establishments of the District involved no additional expenditure. The increase of Rupees 24 in the amount sanctioned for the Cheyoor Pans was not met by a corresponding decrease in that authorized for those of Covelong, in consequence of the tansfer above explained of 6 Peons from the latter to the former place. The decrease of Rupees 52 in the expenditure sanctioned for Vulloor was caused by the transfer of a portion of the Establishment to the Madras Collectorate under the orders of Government dated

Fort Saint George, Revenue Consultation of 26th May 1857.

30th June 1854, No. 767, R. D. The report called for in para. 4 of the Extract Minute Consultation under reply, regarding a revised scheme for the Salt Establishment of the whol District, is now under the consideration of the Board, and will be laid before Government at an early date.
