No. 13. ORDER THEREON, No. 484; dated 20th May 1857.

1. With these Proceedings, the Board submit a letter from the Collector of Coimbatore, enclosing a Tabular Statement for the entertainment of a Sepoy and Sweeper at the public bungalow at Ootacamund. It is observed that, when the late Board of Public Works submitted an estimate for converting the building then used as a Jail at Ootacamund into a public bungalow, the Government in Extract Minutes Consultation dated 29th April 1853, P. W. No. 151, declined to maintain one at that place at the public expense, on the ground that it is not on a high road to other stations, and that it is merely made use of by people resorting to the Neilgherry Hills for health or amusement. The Government again adverted to this circumstance in their order of 10th November 1856, No. 1195, when the Board proposed to transfer to the Officer Commanding the Neilgherries, the Ootacamund bungalow with the one at Coonnoor.

2. Resolved therefore, before passing orders on the Board's present application, that they be requested to furnish some explanation as to what bungalow it is that the Board now refer, and whether it is the one which was formerly used as a Jail, and the conversion of which into a bungalow at the public expense was refused by Government in 1853.

Acting Secretary to Government.
