Fort Saint George, Revenue Consultation of 26th May 1857.

No. 34. Read the following Extract from the Proceedings of the Board of Revenue, dated 2d May 1857, No. 1374.

Read letter from the Collector of Madras, dated 13th December 1856,* requesting sanction may be obtained for refunding Rupees 504 levied on certain lime kilns out of work from May to October 1855.

*In Cons. 2d May 1857.

(Here enter No. 186.)

Resolved that the foregoing letter, together with the two previous letters of the Collector, dated respectively 13th October 1855† and 2d August 1856,‡ and the Board's Proceedings thereon, be forwarded for the orders of Government.

†*In Cons. 24th October 1855.*

‡*In Cons. 6th Dec. 1856.*

2. The Board recommend that the Acting Collector may be authorized to refund the sum of Company's Rupees 504 to the owners of the nine lime kilns reported to have been out of work from May to October 1855, as it was the practice up to that time to remit the tax for periods during which the kilns were not worked.

3. From the commencement of the current Fusly, chunam kilns are charged with a ground rent of 7 Rupees per month, and as the tax on them has thus been reduced from 10½ to 7 Rupees, besides the remission of the license fee the Acting Collector has been directed to levy the reduced rate hereafter throughout the year.

No. 35. ORDER THEREON, No. 495; dated 25th May 1857.

With these Proceedings, the Board of Revenue submit a letter from the Acting Collector of Madras, requesting sanction for a refund of Rupees 504, the tax levied on certain lime kilns which were out of work from May to October 1855.

2. The Board state that it was the practice up to 1855, to remit the tax on chunam kilns for periods during which they were not used, and that from the beginning of the current Fusly, these kilns being charged with a ground rent of Rupees 7 per month, in lieu of a tax of 10½ Rupees and a license fee; the Acting Collector has been directed to levy the reduced rate throughout the year, without excluding the period in which the kilns may not be worked.

3. Under these circumstances, the Right Honorable the Governor in Council thinks it just that the kilns left so unworked should be exempted from the tax; and he accordingly sanctions the refund of Rupees (504) five hundred and four to the proprietors of the several lime kilns in question.

Acting Secretary to Government.
