Fort Saint George, Revenue Consultation of 2d June 1857.

No. 13. Read the following Extract from the Proceedings of the Right Honorable the Governor General of India in Council in the Financial Department, under date the 24th April 1857, No. 1778.

Read the following papers relative to the appointment of a Sub-Collector at Masulipatam, Financial Resolution No. 3274, dated 6th September 1854. Home endorsement No. 539, dated 4th April and the letter from the Government of Fort Saint George No. 288, dated the 25th ultimo.

RESOLUTION.—This Government having sanctioned on the 6th September 1854, the appointment of a Sub-Collector at Masulipatam for a period of two years subject to report at the expiration of that term, the Government of Fort Saint George now state that although the anticipation expressed in their former letter, that in Masulipatam as in Rajahmundry the increase to the revenue from the more close and minute attention that would be paid to it would more than compensate for the additional charge, has not been realized, they deprecate a conclusion being drawn that the arrangement made has failed of success, seeing that, with reference to the late unfavorable seasons, it may be more fairly argued that the revenue of Masulipatam would have been lower than it has been, had there been no Sub-Collector in the District, than that the continued depression of the revenue is a sign that the appointment has failed of results, and on this ground they recommend that the sanction formerly accorded may now be made permanent.

The Right Honorable the Governor General in Council is pleased therefore to sanction the permanent entertainment of the Sub-Collector at Masulipatam at an aggregate charge of Rupees 1,697-2-8 per mensem, as noted in the margin.*

Extract from the Proceedings of the Right Honorable
Governor General of India in Council in the

April 1857 No. 11778

appointment of a Sub Collector at Masulipatam
Financial Resolution No. 3274 dated 6th
September 1854

Home Endorsement No. 589 dated 4th April
and the letter from the Government of Fort St. George
No. 288 dated the 25th ultimo

Resolutions

This Government having sanctioned on
the 6th September 1854, the appointment of a
Sub Collector at Masulipatam for a period of
two years subject to report at the expiration
of that term, the Government of Fort St. George
now state that although the anticipation is
expressed in their former letter, that in
Masulipatam as in Rayachoti the increase
to the revenue from the more close and minute
attention that would be paid to it would
more than compensate for the additional
charges, has not been realized, they deprecate
a conclusion being drawn that the arrangement
made has failed of success, seeing that, with
reference to the late unfavorable seasons, it
may be more fairly argued that the revenue
of Masulipatam would have been lower than
it
