Fort Saint George, Revenue Consultation of 9th June 1857.

No. 3. Read the following Extract from the Proceedings of the Board of Revenue; dated 16th May 1857, No. 1610.

* *In Consultation 16th May* 1857.

Read letter from the Acting Collector of Malabar, dated 22d April 1857, * requesting sanction for an addtional expenditure for Saderwared for Fusly 1265.

(Here enter No. 53.)

Resolved that the letter above recorded and its enclosure be submitted for the orders of the Right Honorable the Governor in Council.

From Government 8th March 1853.
From do. 1st April 1853, *No.* 360, *R. D.*

2. It will be seen from the statement furnished by the Acting Collector, that the total revenue Saderwared sanctioned by Government for Fusly 1265, amounted to Rupees 4,733-7-5. Of this sum, Rupees 4,523-10-4 has been expended from June 1856 to March 1857, leaving a balance of only Rupees 209 13-1 to meet the expenses of the remaining two months of the Fusly.

3. The Acting Collector explains that the increase in the Saderwared is owing to Portuguese and French paper having been used in the talook and Umshom Cutcherries instead of China, which was estimated for, but which is not procurable in the District; and to the high price of oil which is at present more than double what it was when the standard estimate was framed. The excess in the item of paper amounts to about 250 Rupees and in that of oil to nearly 300 Rupees.

4. Under these circumstances the Board support the Acting Collector's recommendation that sanction be granted for the estimated additional expenditure required for Revenue Saderwared for the months of April and May 1857, amounting to Rupees 600.
