Fort Saint George, Revenue Consultation of 9th June 1857.

No. 26. Read the following Extract from the Proceedings of the Board of the Revenue; dated 15th May 1857, No. 1586.

* *In Consultation 15th May 1857.*

Read letter from the Collector of Canara, dated 27th Febrary 1857,* forwarding an Extract from the Retrenchments made from the accounts of his district for Fusly 1264.

(Here enter No. 12.)

Resolved that the foregoing letter and its enclosure be submitted for the orders of the Right Honorable the Governor in Council.

Item No. 11. *Rs.* 37-12-11.

2. With regard to item No. 11, the Collector explains that in consequence of the absence on sick leave of Ramachendra Row, a Goomastah on the fixed establishment of the Barcoor talook from the 7th September to 31st October 1853, a temporary arrangement was made for supplying his place by allowing 5 Rupees of his salary of 21 Rupees per mensem to Ram Row, the Goomastah who acted for him, and 12 Rupees to Neelakunta Row, who was entertained to perform the duties of the latter, the remaining 4 Rupees being paid to the absentee.

Official Gazette of 1836, *page* 450.

3. The Civil Auditor rules that, under the orders of Government, dated 11th July 1836, this arrangement should not have been made without the previous sanction of Government; but as the Collector states that it was for the good of the public service, and as no additional expense has been incurred thereby, the Board recommend that the alteration in question may receive the special sanction of Government, to enable the Audit office to pass the salary (Rupees 37-12-10) of Ramachendra Row for the period of his absence.

Item No. 56. *Rs.* 65-2-6.

4. The charge for travelling Batta to the servants of the establishment of the Assistant Collector in the Forest Department for Fusly 1264, having been inadvertently omitted in the statement of actual charges for that year, the Board recommend that sanction be granted for the disbursements on that account, amounting to Rupees 65-2-6, as particularized in the account particular submitted by the Collector.

5. The Board do not regard mere temporary arrangements of this nature as coming within the scope of the orders of Government quoted by the Civil Auditor. It is obvious that frequently there would not be time to obtain previous sanction, and the Board think that the power of making such arrangements involving no extra expenditure may well be vested in Head of office.

Item No. 56 - -	65	2	6.

1. The Right Honorable the Governor in Council authorizes the Civil Auditor to pass the charges specified in the margin retrenched by him from the accounts of the Collector of Canara for Fusly 1264.

2. The Government must however remark, with reference to the concluding para. of the Boards' Proceedings above recorded, that distributing the portion of the pay forfeited by an absent servant among several incumbents is not the proper mode of filling up a temporary vacancy. A person receiving less pay than that of the absent incumbent should be promoted to act for the latter, receiving the portion of the pay forfeited by him, and a similar portion of the acting incumbent's pay (the remainder being given to him in addition to his acting allowance) should be given to another below him in the list, and so on. The available portion of the pay of the last incumbent should be given to a new person. It is not however to be inferred from this that it is obligatory on the head of the office that the arrangement should be carried throughout the establishment. The available portion of the pay of the absentee himself, or of acting incumbents, can be given to a new person at any step, if it is desirable to do so for the efficient discharge of public business. The Civil Auditor can of course pass such arrangements without any authority from Government.

2. With regard to Item No 11 the Collector explains that in consequence of the absence on Sick leave of Ramachendra Row, a Goomastah on the fixed Establishment of the Bancor Talook from the 4th September to 31st October 1853, a temporary arrangement was made for supplying his place by allowing 5 Rupees of the Salary of 21 Rs per mensem to Ram Row, the Goomastah who acted for him, and 12 Rupees
