Fort Saint George, Revenue Consultation of 9th June 1857.

No. 47. Read the following Extract from the Proceedings of the Board of Revenue ; dated 23d May 1857, No. 1738.

Read letter from the Acting Collector of Malabar, dated 27th January 1857, * furnishing the explanation required respecting certain items objected to by Government in the Statement of actual charges for Fusly 1264.

(Here enter No. 6.)

Resolved that the foregoing letter be submitted for the information and orders of the Right Honorable the Governor in Council, with reference to Extract Minutes Consultation, dated 13th December 1856, No. 1310, Revenue Department.

2. The Acting Collector explains that batta was paid to the stamp Goomastah in consequence of his having been deputed on circuit duty in lieu of a Goomastah whose services could not be dispensed with at the Hoozoor.

3. The Sheristadars referred to, drew batta during the time they were engaged in the settlement of the Beutnaad Rajah's property, in accordance with the sanction of Government conveyed in Extract Minutes Consultation 1st December 1854, No. 1571. He further states that batta was granted in Fusly 1264 to the Peons &c. of the Head Assistant Collector for the period occupied in travelling from Gumothe to Verarajapett and back again, and from Gumothe to Peria, in accordance with the wishes of the late Collector Mr. Conolly, who considered that the jungly and very unhealthy nature of these places, which are so much like Wynaad, and the difficulty of obtaining provisions there, justified the payment of batta to such servants.

Rs.	4. Under this explanation, the Board recom-

	1264, amounting to Rupees 2,520-11-0.

5. With regard to the extra establishment employed in Fusly 1264 for ascertaining the damages sustained by the crops in the Kutnaad talook and for assisting the Special Assistant Collector's Establishment as well as for translating into Malayalam the Hindoozee Koolwar Chittahs, the Acting Collector states that the charges on this account were disbursed before the receipt of the Board's orders pointing out that such items should not have been incurred without the previous submission of an Estimate.

The Board therefore support the Acting Collector's recommendation that the charges Rs. (88-14-11) in question may receive the sanction of Government.

6. The Board take this opportunity of stating that the report required by Government relative to the Koolwar accounts has not as yet been received, but the Acting Collector has been requested to furnish it with as little delay as possible.

7. It is observed that the charges for binding books and for the pay of sweepers employed at the Anjengo and Tunjasherry Ameen's Cutcheries are not of a Saderward nature, and should not therefore have been entered in the Saderward Estimate sanctioned on the 8th March 1853. These charges will be excluded from the revised Estimate of Saderward allowances called for by Government on the 24th January 1857, No. 96, Revenue Department.
