Read the following Extracts.

No. 53. Extract from the Proceedings of the Board of Revenue; dated 11th May 1857, No. 1523.

Read again the following letters, forwarding Statements, shewing the number of lapsed enams since 1848, the number reported on, and the number remaining unexamined.

From the Collr. of Cuddapah, 10th December 1856, in Cons. 4th May 1857.
Do. Tinnevelly, 30th do. „ 4th May „
Do. Salem, 5th recorded in Cons. 22d Jan. „
Do. North Arcot, 10th March, in Cons. 4th May „

Read also further letter from the Acting Collector of Salem dated 16th February 1857,* explaining that the entry in the Collector's Statement of 5th January includes all the lapses that occurred in the District.

*In Con. 11th May 1857.

(Here enter No. 22.)

The following is an abstract of these returns.

Districts.	Total lapses from 1848 to 1856.	Reported to the Board.	Disposed of by the Collector.	Total.	Balance in December 1856.
Cuddapah, ...	1,305	286	404	690	615
Tinnevelly, ...	185	19	151	170	15
Salem, ...	36	36	.....	36	...
North Arcot, ...	458	84	264	348	95*
Total...	1,984	425	819	1,244	725

* Balance in March 1857.

2. In Cuddapah, out of 1305 cases, 403 have been disposed of by the Collector and the Sub-Collector, and only one by the Head Assistant; 286 have been referred to the Board, 24 are nearly ready for report, and 591 still remain to be examined. The yearly average of cases disposed of has thus been about 50.

3. With the aid of the extra establishment sanctioned by Government on the 10th January last, No. 44, Revenue Department, the Board expect the Collector will be able to dispose of the whole of the arrears within the period limited. They see no reason why the Collector should not employ his Assistants in the investigation of enam cases in their own taluks.

4. In Tinnevelly, 185 lapses have occurred, out of which 151 have been disposed of by the Collector and his European subordinates, 19 have been laid before the Board and 15 remain to be investigated.

5. In Salem, the Acting Collector reports that the number of lapses was 36, and that it has been the practice in that District for the Collector to dispose of all lapses occurring either in the sub-division, or the Head Assistant's division. As already remarked, the Board consider that the investigation of enams should not be exclusively conducted by Collectors.

6. In North Arcot, out of 458 cases, 84 have been referred to the Board, 264 have been dealt with by the Collector, 3 are ready for report and 92 are under examination, measures however have been adopted for disposing of these arrears at as early a period as possible. The Board observe that the total, as given in the Collector's return, does not correspond with the details when added up. The Collector will be good enough to afford an explanation respecting the discrepancy.

Ordered that a copy of these Proceeding, together with the letters recorded above, be submitted for the information of Government, with reference to Extract Minutes Consultation 7th August 1856, No. 831, Revenue Department, and that a copy be forwarded to the Collectors of Cuddapah, Tinnevelly, Salem and North Arcot.

No. 54. Extract from the Proceedings of the Board of Revenue; dated 19th May 1857, No. 1679.

†*In Con. 19th May* 1857. Read the following letter from the Collector of Canara, dated 29th April 1857,† forwarding a Statement shewing the number of enams that have lapsed since the year 1848.

(Here enter No. 31.)

Resolved that the above letter with its enclosure be forwarded for the information of Government, with reference to Extract Minutes of Consultation dated 7th August 1856, No. 831.

2. The number of enam lapses which have occurred in Canara since 1848 is 7, and all of them have been reported.

No. 55. ORDER THEREON, No. 566; dated 9th June 1857.

The Government observe that similar Statements are still due from several Collectors. The delay is unsatisfactory considering the simple nature of the return. The Board will, therefore adopt measures to procure the returns wanting as soon as possible, and submit the general Statement required in Extract Minutes Consultation dated 7th August 1856, No. 831, at an early period.

(Signed) H. FORBES,
Acting Secretary to Government.
