Fort Saint George, Revenue Consultation of 16th June 1857.

No. 571.

No. 3. Extract from the Minutes of Consultation under date the 10th June 1857.

Tabular report of lapsed Enams in the District of Bellary for the 1st Quarter of 1856 dated 16th September 1856, and submitted with the remarks of the Board of Revenue 18th May 1857, No. 1668.

In this case the names of neither the granters nor grantees are known; and no documentary proofs of tenure are known to exist.

2. The name of one Moorarybhutloo is entered in the accounts as having held the enam at the time of the Pymash, and he died about 25 years ago; up to 1837 the enam was entered in the name of his widow, which is opposed to the widow's assertion that, at his death, he gave it to one Venkapah Charloo the last holder, an assertion which is further contradicted by the fact that the widow herself executed a deed in 1840 giving the enam to Venkapah Charloo. As Mr. Pelly remarks, this would have been unnecessary, had the gift really taken place at the Pymash Enamdar's death. The enam is now claimed by the last holder's son. The Governor in Council observes that this enam has very probably been held without title for half a century, as it certainly has been held without right for 25 years; and he directs that it be immediately resumed. It is observed that the family have other enams in their possession.

3. The Government entirely concur with the Board of Revenue in their proposal with respect to this enam. It is difficult to conceive a weaker title than that possessed by the deceased, or his son. The deceased Choodapah's portion will be brought under full assessment from the date of his decease, and the portion now enjoyed by Toolasamah will be treated as a life grant.

4. This enam will be resumed as recommended by the Collector and Board of Revenue. The last holder who had himself apparently no title has died without heirs.

Acting Secretary to Government.
