Fort Saint George, Revenue Consultation of 23d June 1857.

No. 12. Read the following Extract from the Proceedings of the Board of Revenue; dated 27th May 1857, No. 1775.

Read again letter from the Collector of North Arcot dated 29th September 1856.*

* *In Cons. 16th Dec.* 1856.

Read also letter from the Collector of North Arcot dated 23d January 1857.†

† *In Cons. 27th May* 1857.

(Here enter No. 14.)

Ordered that the letters above recorded be submitted for the orders of the Right Honorable the Governor in Council.

2. The Jaghire of Kistnapoorum was resumed in 1802 by order of Government, as having been granted subsequently to 1792; a pension of Rupees 175 per mensem was granted to the Ex-Jaghiredar, and on his death a moiety or Rupees 87½ was continued‡ in the name of his son Ghoolam Hoossain for the maintenance of the surviving members of the family.

‡ *From Govt. 13th August* 1833, *No.* 883 *R. D.*

Enclosure 1 *and* 2. *From Collector of North Arcot 22d April* 1842, *In Cons. 9th May* 1842.

3. The amount, it appears, was enjoyed in 9 shares of Rs. 9-11-6 each, whereof Ghoolam Hoossain himself held only one.

4. This person died in 1855 and his widow now petitions for the continuance of his share of the pension.

5. From the report submitted by the Collector of South Arcot, in which District the family resides and where the pension has been paid since 1842, it appears that Ghoolam Hoossain left a widow, four sons (ranging from 7 to 20 years of age,) two married and two unmarried daughters, and that the family are in destitute circumstances.

From Government 8th November 1842, *No.* 1327, *R. D.*

6. It is further reported that neither the married daughters nor the son are in a position to support the rest of the family.

7. Under these circumstances, the Board concur with the Collector in thinking that considering the respectability of the family and the present reduced state of its surviving members, several of whom are still children, the case is one in which some indulgence may be shown.

8. They accordingly recommend that about ⅔ of the share enjoyed by Ghoolam Hoossain, or Rupees 6 per mensem, be continued in the name of the widow Garee Beebee, for her support and that of her children.

9. Of the 9 shares into which the pension of Rs. 87½ granted by Government on the 13th August 1833 was divided, payment of 3 including that of Ghoolam Hoossain deceased, was transferred to the Collectorate of South Arcot and of 6 to Madras under the authority of Government dated the 8th November 1842. It has been ascertained that the remaining 2 sharers in South Arcot are still alive, and enquiry will be made relative to the existence of those transferred to Madras.
