Fort Saint George, Revenue Consultation of 23d June 1857.

No. 16. Read the following Extract from the Proceedings of the Board of Revenue; dated 11th June 1857, No. 1980.

* *In Consultation 11th June 1857.*

Read letter from the Acting Collector of Madura, dated 4th March 1857,* reporting the fitness of the holder of a certain enam for the office of teacher of the Vedahs.

(Here enter No. 49.)

Read again tabular report from the same officer dated 12th November and recorded in Consultation 19th December 1856.

Resolved that the foregoing papers be submitted for the consideration and orders of the Right Honorable the Governor in Council.

2. The lapsed share of the Vada Vurthe or enam for teaching the Vadahs reported upon by the Acting Collector consists of $\frac{15}{16}$ cawney of Nunjah land taxed at Rupees 8-15-2, and was made over to the deceased incumbent on his undertaking the office with the consent of the villagers, but without the sanction of Government. The entire enam amounts to $4\frac{3}{16}$ cawnies and is found entered in the Public accounts so far back as Fusly A. D. 1212, 1802-3. There are no documents however to show when or by whom the grant was originally made. It seems that the enam was enjoyed successively by those, who performed the duty attached to it. The present holder of the enam is reported to be duly qualified to impart instruction in the Vedahs. The number of boys in attendance is 8 and the Hindu population of the village is reckoned at 820, of whom 36 are Brahmins.

From Government 23d February 1844, No. 64, Revenue Department, Communicating the Honorable Court's Despatch of 25th October 1843, No. 19.

3. Adverting to the desire expressed by the Honorable the Court of Directors, that such endowments should not be interfered with, but should continue to be appropriated to the purpose for which they were originally given, the Board agree with the Acting Collector that the lapsed share should be renewed in favor of the eldest son of the deceased incumbent.

(A true Extract.)

(Signed) J. D. SIM, *Acting Secretary.*

No. 17. ORDER THEREON, No. 606; dated 18th June 1857.

The Governor in Council observes that this enam consists of $4\frac{13}{64}$ Cawnies altogether and that $\frac{15}{16}$ Cawny only was in the possession of the lately deceased incumbent. It would appear from the 2nd para. of the Board's Proceedings that the whole was given for teaching the Vedas. If this be the case, the Government desire to be informed on what tenure the rest of the enam is held, and how, as a service enam it came to be sub-divided. It appears that four individuals held it in Fusly 1217, and the supposition is that all but the party in whose favour the Board's present recommendation is made, enjoy their shares without obligation of service. The Government desire to be informed on these points previously to passing orders in the case.

(Signed) H. FORBES,
Acting Secretary to Government.
