Fort Saint George, Revenue Consultation of 23d June 1857.

No. 25. Read the following Extract from the Minutes of Consultation in the Judicial Department, under date the 2d June 1857, No. 647.

Read the following Extract from the Minutes of Consultation in the Revenue Department.

Communicating to this Department a letter from the Acting Agent in Ganjam, forwarding an application from his Assistant, Captain C. Smith, for a monthly Command allowance as Commanding officer of the Sebundy corps. } (Here enter 5th May 1857, No. 417.)

At the special request of his Assistant Captain C. Smith, the Acting Agent in Ganjam submits, but without his own recommendation, an application from the former for a monthly 'Command' allowance, he, Captain Smith, being the Commanding Officer of the Ganjam Sebundy Corps.

2. The Government concur with the Acting Agent in considering that Captain Smith cannot be held entitled to the allowance in question. That officer, as Assistant to the Agent, draws the salary and allowances of a Head Assistant Collector. He draws also when moving, an additional Tent allowance of 2 Rupees 10 Annas per diem, which is not acceded to other officers in his position, with the exception of the Assistant Agent, Kurnool. The men under his command number about 300. He has Police duties assigned to him, but none whatever of a revenue character. A Civilian Head Assistant has duties, of course, of both kinds.

	Rs.	A.	P.
Salary of a Head Assistant Collector	558	5	4
Tentage	42	0	0
	600	5	4

3. Captain Smith complains that he is the only officer "Commanding Sebundies or Ir-"regulars of any description subject to the Madras Government, who is not drawing a stipulated allowance."

It will be sufficient, by comparing the position of officers commanding such corps generally with that of Captain Smith (as detailed in para. 2 above) to show that there is no essential disparity of emolument calling for correction.
