Fort Saint George, Revenue Consultation of 23d June 1857.

No. 71. Read the following Extract from the Proceedings of the Board of Revenue; dated 23d May 1857, No. 1739.

Read letter from the Collector of South Arcot dated 28th April 1857,* supplying the information called for respecting the Cavul fees or house and shop taxes referred to by Mr. Ashton in his letter of 28th December 1836.

*In Cons. 23d May 1857, No. 1553.

In Consultation 9th January 1857.

(Here enter No. 80.)

Resolved that the above letter be laid before Government, with reference to para. 7 of Extract Minutes of Consultation dated 28th May 1856, Revenue Department, No. 541.

2. It will be seen that the Cavul fees in question were levied at the rate of 1 anna on each house and annas 1-10 on each loom, and that the collections, which originally amounted to Rupees 6-6-8 per annum and not 24-1-9 as stated by Mr. Ashton, have since Fusly 1255 (A. D. 1845-46) varied from 12 to 5 annas a year. The amount levied from Fusly 1255 to 1265 has been credited to Government, the party entitled to receive the money having made no application for it. The fees, however, have now been abolished. A similar tax on looms had long since ceased to be collected, and its nominal entry in the accounts has also now been discontinued.
