No. 3. Read the following letter from L. FORBES, Esq., Acting Sub-Secretary to the Board of Revenue; to H. FORBES, Esq., Acting Secretary to Government, Revenue Department, dated Fort St. George, 8th June 1857, No. 1913.

SIR,

I am directed by the Board of Revenue to submit for the orders of the Right Honorable the Governor in Council the accompanying letter from the Acting Collector of Malabar, dated 15th May 1857,* requesting sanction for an extra expenditure for Saderwared for Fusly 1266.

**In Consultation 8th June 1857.*

2. From the Statement appended to the Acting Collector's letter it will be seen that the total Magisterial Saderwared sanctioned by Government for Fusly 1256, as the standard, amounted to Rupees 1,435-3-0.; of this sum Rupees 1,418-6-1 has been expended from June 1856 to January 1857, leaving a balance of only Rupees 16-12-11 to meet the expenses of the remaining four months of the Fusly.

3. The Acting Collector explains that the increase in the Magisterial Saderwared arises from Portuguese and French paper having been used in the talook Cutcherries instead of China, which was estimated for; but which is not procurable in the District, and from the price of oil having risen more than 100 per cent. since the standard estimate was prepared. The excess in the item of paper amounts to about Rupees 260, and in that of oil to nearly 240 Rupees; similar reasons it will be observed were given for the increase in the Revenue Saderwared of Fusly 1266. Mr. Robinson also explains that no provision was made for the Saderwared expenses of the Cutcherries of the special Assistant Collector and of the Police Ameen of Poodomagarom when those offices were established in 1855, and that therfore an annual out lay of about 100 Rupees for the former and 80 Rupees for the latter has to be incurred on that account.

Proceedings to Government dated 16th May 1857, No. 1610.

4 Under these circumstances, the Board support the Acting Collector's recommendation that sanction be granted for the estimated additional expenditure required for the Magisterial Saderwared for the months of February, March, April and May 1857, amounting to Rupees 662.

No. 4. ORDER THEREON, No. 637; dated 24th June 1857.

Under these circumstances represented by the Acting Collector of Malabar and agreeably to the recommendation of the Board of Revenue, the Right Honorable the Governor in Council grants sanction for the estimated additional expenditure required for the Magisterial Saderward for that District from February to May 1857, amounting to Rupees (662) six hundred and sixty two.

(Signed) H. FORBES,
Acting Secretary to Government.

No. 1913

From L. Forbes Esq.
Actg Sub Secretary to the Board of Revenue.

To, H. Forbes Esq.
Acting Secretary to Government
Revenue Department.

Sir,

I am directed by the Board of Revenue to submit for the orders of the Right Honorable the Governor in Council the accompanying letter from the Acting Collector of Malabar, dated 15th May 1857, requesting sanction for an extra expenditure for Saderwaree for Fasly 1266.

In Con. 8th June 1857

From the Statement appended to the Acting Collector's letter it will be seen that the total Magisterial Saderwaree sanctioned by Government for Fasly 1256 as the Standard, amounted to Rupees 4435-3-1 of the same Standard in 1818 & it has been expended from June 1836.

1856 to January 1857, leaving a balance
of only Rupees 12 11 to satisfy the ex-
penses of the remaining four Months
of the Farm.

3. The Acting Collector explains
that the increase in the Registered Inter-
ward areas from Portuguese and French
paper having been used in the Palcode
Cutcheries instead of Cowle which was
estimated for, but which do not pro-
curable in the District, and from the
price of Oil having risen more than 100
per Cent since the Standard Estimate
was prepared. The excess in the Item
of paper amounts to about Rupees
260 and in that of Oil to about 240
Rupees. Similar reasons will be Observed Protocol dated 11th May 1857 No 1810
were given for the increase in the Revenue
Sudderuns of Trichy 12th & Mr Robinson
also explains that the provision was made
for the Salaries & Expenses of the Cut-
cheries of the Special Assistant Collector
and of the Police Amins of Poodoonagaram
which those Offices were established in 1855,
and that therefore an annual outlay of
about 100 Rupees for the former and 80
Rupees

Rupees for the latter has to be incurred
on that account.

4. Under these circumstances the
Board support the Acting Collector's
recommendation that sanction be granted
for the Estimated additional ex-
penditure required for the Ministerial
Salaries and for the months of February
March, April and May 1857 Amounting
to Rupees 662 - -
