Fort Saint George, Revenue Consultation of 30th June 1857.

No. 12. Read the following Extract from the Proceedings of the Board of Revenue; dated 13th June 1857, No. 2043.

* *In Cons. 13th June* 1857.

Read letter from the Collector of Tinnevelly dated 14th May 1857* requesting permission to sell by auction the remaining stores of the late experimental Cotton Farm of his District.

(Here enter No. 166.)

Resolved that the above letter be laid before Government.

2. Government are aware that the operations of the experimental Cotton Farm of Shevacausey in Tinnevelly were finally brought to a close in July 1853 under orders No. 715 dated 29th June of the same year, and an advertisement was inserted in the Presidency Gazette offering the more valuable part of the machinery at what were considered fair prices for the articles.

Vide Oct. 11th 1853, *p.* 1031.

3. In the foregoing letter, the Collector states that no purchasers have yet come forward for these stores which are becoming useless, some being already out of order, and requests permission to sell them by auction. The Board see no objection to this step under the circumstances represented, and accordingly recommend that the Collector be allowed to adopt it after due notice.

4. The Board presume the damaged cotton now sold was part of the 8,000 lbs. of unginned produce which the Government in the Extract Minutes Consultation above quoted, suggested should be cleaned and shipped to the Honorable Court of Directors, but of the ultimate disposal of which the Board have received no intellegence.

(A true Extract.)
