Fort Saint George, Revenue Consultation of 30th June 1857.

No. 651.

No. 30. Extract from the Minutes of Consultation under date the 26th June 1857.

Tabular report on a lapsed enam in the District of Madura in the 2d Quarter of 1857, dated 30th April and submitted with the remarks of the Board of Revenue dated 12th June 1857, No. 2013.

The sunnuds granting this allowance exist, and appear authentic. They are dated 103 years ago, and were issued in the name of one Sheik Ibrahim.

The service is reported to be still performed. In Mr. Hurdis' (the first Collector of Madura and Dindigul) accounts of enams the yeomiah is entered in the names of two individuals, Sheik Ibrahim, the original grantee, and Nyna Mohamed, his son; and in 1834, on the death of the former, a share of the enam was continued in the name of his grandson Mohamed Easuff. This individual still enjoys half the allowance.

2. The last holder is the party who was associated with the original grantee in Mr. Hurdis' accounts, and the Collector and Board of Revenue now recommend that his share of the allowance be continued to his sons.

3. The Government observe that the principle of sub-dividing a service enam as here recommended, is improper, and has already been deprecated by the Board. The entry of two individuals in Mr. Hurdis' accounts was evidently a mistake. The grant will now be continued in its integrity to the grandson of the original grantee to whom half was sanctioned on Mr. Blackburne's recommendation in 1831; leaving him to make what arrangements he pleases for the due performance of the service.

Bd. of Rev. to N. Arcot No. 763 of 12th April 1849, C. O. Bd. of Rev. vol. I. p. 463, note 1.

(Signed) H. FORBES,
Acting Secretary to Government.
