2200	3d June.....	Vizagapatam	.....	.....	.....	.....	*Rs.* 1,150 *Vizagapatam and Rs.* 900 *Chingleput.* The attention of the Collectors of Vizagapatam and Chingleput is called to paras. 2 and 5 of the Extract Minutes Consultation dated 1st October 1856, No. 1047, R. D. In this it was pointed out that under the instructions of the Civil Auditor "regarding contingent, extra and variable charges," it is not necessary to submit estimates for charges for covering salt heaps, and for procuring Jungle products. These charges being of an ordinary nature do not need the special sanction of Government, and will be passed on audit by the Civil Auditor. Item No. 6 has been excluded from the Estimate as rules will shortly be passed for the supply of Peons' Belts in all the Districts. As new balances will soon be issued for the weighment of Salt, the Board have excluded the charge for making Salt Mercals. Should any of the Mercals now in use require repair, the Collector will have the work done, and include the cost in the monthly bill of Contingent charges. The sum of Rs. 5 for repairing an old Almirah has also been omitted under para. 10 of the instructions of the Civil Auditor. Deducting the sums above noticed, the Board recommend, under the explanations afforded in the accompanying Estimates, that sanction be granted for the proposed disbursements, amounting in the aggregate to Rs. (2,703) Two thousand seven hundred and three. The estimates from the remaining Districts will be laid before Government as soon as received.
