Fort Saint George, Revenue Consultation of 7th July 1857.

Ordered that the following letter be despatched.

No. 19. From H. FORBES, Esq., Acting Secretary to the Government of Fort St. George; to G. N. TAYLOR, Esq., dated 4th July 1857, No. 678.

SIR,

When in Fusly 1265 you fixed the teerwah jasty on the villages composing the Sub-Collectorate of Rajahmundry at ten per cent. on the then existing beriz, you engaged that no further addition should be made to the rents, until a survey and re-assessment of the District should be made.

2. It appears however from papers laid before the Government by the Board of Revenue, that in dealing with the Enamdars, your engagement was confined to an assurance that you would recommend to Government that the addition made to their liabilities should remain unaltered until the survey.

3. It has been asserted by your successor, Mr. Robinson, that the Enamdars so far from understanding your engagement in the limited form in which you made it, namely to recommend the matter to the favorable consideration of Government, accepted, and have acted on it, in the same extended sense as that in which it was made with the jeroytee ryots.

4. In dealing with the question, the Government desire your own opinion as to the sense in which you have reason to believe that you were understood by the Enamdars, and I am therefore directed to request that you will afford information on the point, at your early convenience.
