Fort Saint George, Revenue Consultation of 7th July 1857.

No. 29. Read the following Extract from the Proceedings of the Board of Revenue; dated 24th June 1857, No. 2166.

* *In Cons. 24th June 1857.*

Read letter from the Collector of North Arcot dated 3d June 1857,* explaining the cause of the delay in reporting upon a lapsed enam.

(Here enter No. 128.)

Resolved that the foregoing letter be laid before the Right Honorable the Governor in Council, with reference to Extract Minutes Consultation dated 18th February 1857, No 175, Revenue Department.

2. The enam case in question was reported on the 13th January 1856 to Mr. Whithingham who explains that he was unable to dispose of it previous to the arrival of his Acting additional Sub-Collector in June.

3. The case was decided by the latter officer in the following month and included in the Return for the 3d Quarter of 1856.

4. The Tasildar, to whom the Collector attributes part of the delay, has been cautioned against a recurrence of such neglect, but it would appear that the lapse was not reported to him by the village officers immediately on its occurrence.

5. The Enamdar's share of the land was attached on his death in 1855, and has since been incorporated with the Government lands. It was made over to the Enamdar's son in Fusly 1265, 1855-56 on the usual terms and leased by him to the party, who had hitherto cultivated it, and by whom the Government demand for that year has been already discharged.
