Fort Saint George, Revenue Consultation of 14th July 1857.

No. 3. Read the following letter from J. D. SIM, Esq., Acting Secretary to the Board of Revenue; to H. FORBES, Esq., Acting Secretary to Government, Revenue Department; dated Fort St. George, 22d June 1857, No. 2126.

SIR,

With reference to Extract Minutes Consultation dated 29th September 1856, No. 1040, R. D., authorizing the resumption of the share held by the late Aboothurauz in the enam village of Mullecarjanal, and granting in lieu of it a monthly allow-

* *In Consultation 22d June* 1857. ance of Rupees 25 to his son Syed Kadree, I am directed by the Board of Revenue to submit for the orders of Government the accompanying letter dated 17th April last* from the Collector of Bellary.

2. It appears that at the commencement of the current Fusly, previous to the receipt fo the order above referred to, the Enamdar had rented out more than half the land in question for Rupees 232-4-0, or Rupees 66 below the regular assessment and made arrangement for the payment of a portion of that sum to his creditors. The occupants decline to make good the full rent to Government on the plea that the land had been let to them by the proprietor at a reduced rate, a difficulty is consequently experienced in carrying out the order of Government in this Fusly. The Collector thinks that the Enamdar's request to hold possession till the end of the present Fusly should be acceded to in order that he may fulfil his engagements with the ryots and his creditors.

3. According to a recent measurement by the local officers, the land contains

	Acres.	G.	A.	Assessment. Rs.	A.	P.	Net demand. Rs.	A.	P.
	358	7	4	662	11	3	497	0	5
Of this the portion lying wast is....	48	17	3	87	12	1	66	3	6
							430	12	11
Cultivated by the Enamdar							132	6	2
By the renters....							298	6	9
							430	12	11

4. As the difference in favor of the Enamdar is very trifling, the Board recommend that the resumption of his land be deferred until 1st July 1857, as suggested by the Collector, and that the money allowance be paid to the Enamdar from that date.

5. The report referred to in the last para. of Mr. Pelly's letter was laid before Government on the 27th April last.

6. The fact of the late Enamdar having let the lands for less than their proper assessment will, of course, not be overlooked by the Collector in their future management, and if the remission was warranted by the quality of the land or other proper considerations, the case will be suitably dealt with in the course of the pending revision.

No. 4. ORDER THEREON, No. 685; dated 8th July 1857.

1. On 8th August 1856, the Government recommended that an allowance of Rupees 25 per mensem might be granted to Syed Kadree, son of the deceased holder of a share in the enam village of Mullicarjoonahully in Bellary; the enam

E. M. C. No. 1040 *of 29th Sept.* 1856. being resumed from the date of the father's death. This arrangement was sanctioned in Mr. Secretary Beadon's letter No. 1142 of 8th September 1856.

2. In the letter above recorded, the Board of Revenue submit one from the Collector of Bellary, desiring that the resumption may be held in abeyance until the end of the present fusly for the following reasons.

Board, P. 2.

	Rs.	A.	P.
Whole Enam assessed at -	430	12	11
Cultivated by Renters - -	298	6	9

3. Previous to the reception of the order of Government sanctioning the resumption of the Enam, it is said to have been leased in part for Rs. 232-4-0, or Rupees 66 below the regular assessment, a portion of the rent having been assigned in satisfaction of certain creditors of his, by the Enamdar. The Board now state that, as the renters decline to make good the full rent to Government, on the plea that the land had been let to them by the proprietor, a difficulty is experienced in carrying out the order of Government to apply the full assessment to the land from the date of the last holder's decease.

4. The Government are pleased to comply with the Board's request. Though the arrangement alluded to, was one which Syed Kadree was not perfectly competent to make, yet there would probably be considerable difficulty, and but little gain, in disturbing it. The resumption of the land, and the commencement of the grant to Syed Kadree, will therefore date from the 1st July 1857.

5. The Government observe that at the commencement of para. 2 of the Board's letter the rent is said to have been given at the commencement of the current Fusly, while in para. 6, the late Enamdar is said to have rented out the lands at less than the proper assessment, as this individual died in October 1853, some explanation is required.

(Signed) H. FORBES,
Acting Secretary to Government.
