Fort Saint George, Revenue Consultation of 14th July 1857.

No. 24. Read the following letter from Colonel C. E. FABER, Chief Engineer; to the Secretary to Government, P. W. D., dated Fort Saint George, 27th June 1857, No. 1596.

SIR,

With reference to orders contained in Extract Minutes Consultation No. 565, dated 9th June 1857, I have the honor to inform you that the estimate amounting to Rupees (750) seven hundred and fifty, for excavating a well, levelling the ground belonging to the Goa Mission at Saint Thoma's Mount, and planting part of a hedge, has on examination been found to be correct and to be calculated on the usual data.

2. I recommend the same for the sanction of Government.

No. 25. ORDER THEREON, No. 696; dated 13th July 1857.

1. In the Extract Minutes of Consultation dated 6th November 1856 Government sanctioned, agreeably to the recommendation of the Collector of Chingleput, a sum of 300 Rupees to be paid to the Reverend M. F. Lobo, Acting Bishop of St. Thomé, as compensation for the tank at Saint Thomas' Mount, the property of the Church, filled up under the orders of the Commanding officer, on certain sanitary grounds; but in their Proceedings dated 4th March 1857, the Board stated that Mr. Lobo declined to accept the above sum, and solicited sanction for the payment of Rs. 99-8 for the loss sustained in 1856 by filling up the tank, and of Rupees 8-5-4 per mensem, beginning from 1st January 1857 until the means of irrigation are restored. They at the same time recommended that the Collector might be authorized to have a new well dug for the irrigation of the land, and to replant the boundary hedge as requested by Mr. Lobo.

2. The Government in Minutes of Consultation dated 28th March 1857, No. 305, sanctioned the arrangements proposed by the Board, and requested them to submit an Estimate for constructing the well and levelling the ground, and for planting that part of the hedge which had been actually destroyed or damaged.

3. The Estimate called for having been received with the Board's Proceedings of 2d June 1857, No. 1838, it was referred to the Chief Engineer for report, and in the letter above recorded this officer expresses his approval of it. The Right Honorable the Governor in Council is accordingly pleased to sanction the sum of Rupees (750) Seven hundred and fifty for the work in question, which will be executed at once under the orders of the District Engineer of Chingleput. The sum will be disbursed by the Collector of Chingleput as compensation to Mr. Lobo; and it need not be brought in the Public Works accounts by the Engineer Department. Immediately after the completion of the work now authorized the payment of Rupees 8-5-4 per mensem to Mr. Lobo will be discontinued, and a deed of acquittance from all further claims will be obtained from him, as directed in the Extract Minutes Consultation dated 28th March 1857, No. 305.
