Fort Saint George, Revenue Consultation of 14th July 1857.

No. 36. Read the following Extract from the Proceedings of the Board of Revenue; dated 2d July 1857, No. 2255.

Read letter from the Collector of Bellary dated 16th June 1857,\* requesting that a Medical subordinate may continue to be stationed at Ghooty when the Detachment of Troops now there is removed.

(Here enter No. 59.)

In this letter the Collector states that the Detachment of Troops at Ghooty is under orders to leave that station, and the Apothecary attached to the Detachment will as a matter of course also quit the place. The want of a Medical officer will then be much felt by the servants of the Department Public Works; the numerous travellers on the several high roads passing through Ghooty and sick persons halting at Munro's Chuttrum. A Medical subordinate has always been stationed at Ghooty which is a central spot, far removed from other Medical aid, and the Head Quarter of an Assistant to the Collector. Mr. Pelly is also of opinion that vaccination would be promoted by the continued residence of a Medical subordinate at Ghooty.

2. Under this circumstances, the Board submit Mr. Pelly's application for an Assistant Apothecary for the favorable consideration of Government.

(A true Extract.)

No. 37. ORDER THEREON, No. 703; dated 14th July 1857.

Government request that this proposition may be re-submitted whenever the Detachment actually leaves Ghooty, as it is probable that, for the present at least, it will remain at that station.

(Signed) H. FORBES,

Acting Secretary to Government.
