Fort Saint George, Revenue Consultation of 21st July 1857.

No. 4. Read the following Extract from the Proceedings of the Board of Revenue; dated 8th July 1857, No. 2306.

Read letter from the Collector of Madras dated 4th July 1857.*

* *In Cons. 8th July* 1857.

(Here enter No. 96.)

Resolved that the above letter be submitted for the orders of Government, with reference to Extract Minutes Consultation 12th Ultimo, Revenue Department, No. 586.

2. The Collector reports that the Superintendent of Police at St. Thomas' Mount has required the Abkarry Renters to give security for good conduct, and has prevented two of them from opening their shops in consequence of their refusing to furnish it.

3. The Board objected to the requisition of security in para. 4 of their Proceedings dated 2d April last, and they gather from the Minutes Consultation of the 12th Ultimo above referred to, that Government concur in this view, inasmuch as they direct all conditions unconnected with fiscal matters to be excluded from the licenses, and leave the Military Police authorities "to preserve discipline and good order according to the existing law."

4. The Superintendent of Police founds his demand for security on para. 2 of the Extract Minutes Consultation 28th November 1856, No. 1262, Revenue Department, which he apparently considers unaffected by the subsequent order of the 12th Ultimo.

5. The Board solicit the early orders of Government on the subject, and in communicating them to the Collector will instruct that officer to explain to the Superintendent of Police that the offences referred to in para. 2 of the Extract Minutes Consultation dated 12th Ultimo are those cognizable under Act XIX. of 1852.

No. 5. ORDER THEREON, No. 712; dated 15th July 1857.

Notwithstanding that the Government, in ordering the retention of the Abkarry of the Mount and its environs under the charge of the Collector of Madras, distinctly declared that all conditions unconnected with fiscal matters were to be excluded from the renters' licences, breaches of discipline and good order being punishable by the Police authorities of the Mount under the existing law, the Right Honorable the Governor in Council now learns from the Collector's report submitted by the Revenue Board, that the Superintendent of Police at the Mount has refused to allow two of the Collector's renters to open their shops, as they declined to give the security demanded by him. His Lordship in Council is constrained to observe that the Proceedings of Colonel Brown are contrary to the orders of Government; and he feels it necessary to declare for that officer's guidance, that Extract Minutes Consultation 12th June last, No. 586, is to be followed in all particulars.

(Signed) H. FORBES,

Acting Secretary to Government.
