The Collector states that the duties connected with the Sea Customs at the Ports of Nizampatam and Cottapollem in Guntoor, have hitherto been conducted by the Salt Establishment at Nizampatam, but that as the salt store at that place is immediately to be abolished, the services of a separate Goomastah for the Sea Customs are absolutely necessary. The trade carried on at these ports is shewn in the margin, and there appears to have been a progressive increase in Exports. Under these circumstances, the authority of the Government of India is solicited for the entertainment of the proposed Goomastah.

Official year.	Value of Imports.	Value of Exports
	Rupees.	Rupees.
1851-52	50,949	28,630
1852-53	32,768	69,360
1853-54	23,529	92,501
1854-55	35,825	1,25,970
1855-56	49,423	1,34,258

The salary of this Goomastah cannot be met from the reduction said above to have been made in the Salt Establishments, because in remodelling those Establishments in the Northern Circars generally, the reductions effected in one District have been required to meet an increase in another, and to afford the means of providing for all, a Superintendent on a sufficient salary.

Favorable.

No objection. No 2482 Sanctioned. By order of the Governor in Council. Mary Wilson 19th June 1857. Secy: to the Govt. of Madras. Goomastah Establishment. Fort St. George 19th June 1857. W. Chamberlain Esq. Salt Agent Ellore
