Fort Saint George, Revenue Consultation of 21st July 1857.

No. 35. Read the following letter from G. N. TAYLOR, Esq., Acting Collector of Nellore; to H. FORBES, Esq., Acting Secretary to Government Fort St. George; dated Nellore 8th July 1857, No. 16.

SIR,

In reply to your letter dated the 4th Instant, I have the honor to state that I believe the Enamdars understood distinctly that the sanction of Government was necessary to confirm the arrangement I proposed in regard to the levy of teerwa jasty on Enam lands. Not only was there a very large number of them present at the time of settlement, but, if I recollect rightly, printed or written notices were circulated, informing the people of the terms upon which the settlement was made, and the entire body of Native officials from the Sub-Sheristadar downwards were well aware of the reservation that had been made with respect to the engagement with the Enamdars.

2. I reported at the time that the engagement was cheerfully accepted, and if it has since been acted on, this must have been done on the supposition both by the Enamdars and by the Government officers, that it was not disapproved by higher authority. In my report to the Collector on the subject, dated I think towards the end of December 1855, I particularly requested that in the case of the Enamdars sanction might be speedily obtained.

No. 36. ORDER THEREON, No. 728; dated 21st July 1857.

Ordered that the foregoing Extract be recorded.

(Signed) H. FORBES,
Acting Secretary to Government.
