Fort Saint George, Revenue Consultation of 28th July 1857.

No. 17. Read the following letter from H. CLEGHORN, Esq., M. D., Conservator of Forests; to the Secretary to Government, Revenue Department; Fort St. George, dated Ootacamund 8th July 1857, No. 95.

SIR,

I have the honor to report that (at the earnest solicitation of Mr. Muller, and with the concurrence of the Acting Collector of Canara) I have authorized the purchase of 13 Carts and 10 pair of Buffaloes for immediate use in the carriage of timber in North Canara, amounting in the aggregate to Rupees Six hundred and fifty six. The loss and disappointment from contracting with the Wudders have rendered this step an emergent necessity, as it was becoming apparent that in no other way could the Indents of the Department Public Works, and the demands of the Bombay Government be fully met.

2. The Carts were constructed by Dr. Forbes, Superintendent of the Cotton Gin Factory Dharwar, whose mechanical skill is well known. He offered to dispose of these carts, as he was leaving the Station, and there was no time for a reference on the subject. I request therefore Government will be pleased to sanction the admission of this outlay into the Forest Accounts. I have every reason to believe that the purchase will be remunerative, as the timber lying scattered in the jungle will soon cover the cost.

3. I have selected Mr. John Shelly as Overseer for the large Timber Depot at Hullial, and to have the charge of the carts and cattle before mentioned. He will be of great assistance to Mr. Muller in carrying out Forest Conservancy along the Bombay Frontier. Salary promised is Rupees 80 per month.

4. The General Forest report of the Collector of Canara for the past 12 months is now due, and I shall reserve the remarks and suggestions arising out of my late tour to be embodied into a summary of my views, which will accompany Mr. Robinson's report.

No. 18. ORDER THEREON, No. 737; dated 24th July 1857.

The Right Honorable the Governor in Council sanctions the sum of Rupees (656) six hundred and fifty six, being the value of 13 carts and 10 pair of Buffaloes purchased by the Conservator of Forests for the carriage of timber in North Canara.

2. The appointment of Mr. John Shelly as an Overseer in the Forest Department on a salary of Rupees (80) eighty per mensem, is approved.

(Signed) H. FORBES,

Acting Secretary to Government.

I have the honor to report that (at the earnest solicitation of Mr. Miller, and with the concurrence of the Acting Collector of Canara) I have authorized the purchase of 13 Carts and 10 pair of Buffaloes for immediate use in the Carriage of Timber in North Canara, amounting in the aggregate to Rupees Six hundred and fifty Six - (656). scattered in the jungle will soon cover the cost.

3. I have selected Mr. John Shelly as Overseer
for the large Timber Depot at Kullial, and to have
the charge of the Carts and Cattle before mentioned.
He will be of great assistance to Mr. Müller in car-
