No. 43. ORDER THEREON, No. 750; dated 27th July 1857.

The Board of Revenue submit with their recommendation an application from the Collector of Chingleput, to make over certain lands to the Enamdars, whose enams have been taken up by the East Coast canal.

2. The Government sanction the proceeding recommended, but remark that they do not see from the papers before them, whether the lands proposed to be made over are waste or cultivated. In the former case, they conclude that the Merasidars of the village have had the first offer made to them, and in the latter, that the consent of the party now cultivating has been obtained.

3. The Board in para. 2 of their Proceedings dated 21st February 1857, requested the Collector to state, whether the returns of lands taken up for the Canal have been compared with the accounts of the Engineer Department, or checked in that Department, but it does not appear that the information has been furnished.

(Signed) H. FORBES,
Acting Secretary to Government.
