Fort Saint George, Revenue Consultation of 4th August 1857.

No. 36. Read the following Extract from the Proceedings of the Board of Revenue; dated 23d July 1857, No. 2501.

Read letter from the Acting Collector of Masulipatam dated 22d June 1857,* reporting on the application of one Guffoor Sahib to rent the village of Ambapooram for 10 years.

(Here enter No. 114.)

1. Ambapooram is without inhabitant. Its lands have been cultivated for some time past by persons from other villages. Guffoor Sahib it is understood is an inhabitant of Bezwada and Ambapooram, though not so stated, is probably in the Bezwada Talook and is one of the villages which were deserted during the famine and sickness about 30 years ago. The total Ayacut of the village is 38 Cutties or 620 acres of which about one seventh is under cultivation. The highest average revenue from this village during the last 30 years is below Rupees 200. Guffoor Sahib's offer for the proposed 10 years' lease is as follows.

Rupees 225 for the first year.

" 250 " second year.

" 300 " third "

" 350 " fourth "

" 400 from the fifth " inclusive to the close of the 10 years' lease.

2. The effect of Guffoor Sahib's offer will be the reclamation of the village and the Board resolve to submit it for the favorable consideration of Government. Guffoor Sahib's further request for an advance of Rupees 500 repayable in 10 yearly instalments to build 25 houses in the village the Board do not support, because they are of opinion that such assistance should not be given, except under special circumstances. In the present case, the Board believe that the applicant is fully able to do all that is necessary for the reclamation of the village without pecuniary aid from Government.

3. Copy of the endorsement of the Acting Collector on Petition No. 893 of 1855 from Guffoor Sahib, and copy of the Proceedings of the Commissioner for the Northern Circars thereon dated 12th April 1856, No. 273, are forwarded for the information of Government.

In their Proceedings above recorded, the Board of Revenue submit with their favorable recommendation a proposal from the Collector of Masulipatam, to rent to one Guffoor Sahib of Bezwada, the village of Ambapooram. This village has an ayacut of about 620 acres, and the Collector thinks there may be 650 acres in the village capable of cultivation; it has no inhabitants and the highest average revenue during the last 30 years has been below Rupees 200. The terms now offered are as follows:

Rupees 225 for the first year.

" 250 " second year.

" 300 " third "

" 350 " fourth "

" 400 from the fifth " inclusive down to the close of the lease.

2. The Right Honorable the Governor in Council is pleased to authorize the Collector to grant this village to Guffoor Sahib on the terms proposed for 10 years; proper security being taken from the renter for the fulfilment of his engagement.

3. The Government concur with the Board in rejecting the renter's request for an advance of Rupees 500 to build houses, neither do they see the necessity for any stipulation (as proposed by the Collector) as regards compelling the renter to resign the lease, or to pay the full assessment of the village when its lands may be surveyed.

(Signed) H. FORBES,

Acting Secretary to Government.

Petitioner asks for a perpetual lease of the Village on a favorable rent, which is virtually asking for the grant of it on Mookhasa tenure. Such a request, the Subcollector observes, cannot, under the present administration, be acceded to.
