Fort Saint George, Revenue Consultation of 4th August 1857.

No. 44. Read the following Extract from the Proceedings of the Board of Revenue; dated 22d July 1857, No. 2472.

Read letter from the Acting Collector of Malabar, dated 29th January 1857.*

*In Con. 22d July 1857.

(Here enter No. 11.)

Ordered that the foregoing letter be submitted for the orders of the Right Honorable the Governor in Council.

11th June 1856. 2. In their review of the reports submitted by the several Collectors regarding the condition of the Travellers' bungalows within their Districts during Fasly 1265, the Board, with reference to the recommendation of the then Collector Mr. Conolly, requested the sanction of Government for the sale of nine bungalows in the Malabar District.

6th Sept. 1856, No. 951 R. D. 3. The Government were however unwilling to accord their sanction without fuller information, and requested that the opinion of the present Acting Collector upon the advisability of the measures proposed, might be obtained.

4. Mr. Robinson meets this requisition in the letter placed at the head of these Proceedings, and affords information in detail regarding the utility or otherwise of the bungalows referred to.

5. The principal reasons assigned by Mr. Robinson for wishing to retain these buildings are, that the materials, if sold now, would realize little or nothing, that the charges for keeping them up are very trifling, and that the buildings, poor as they are as regards accommodation, are of the greatest advantage to all classes of Travellers, more particularly to the lower subordinates in the Public Works and Railway Departments.

6. It is also remarked that the feverish and unhealthy character of some of the localities, the Wynaad for example, and the paucity of inhabitants afford a forcible argument for the retention of the only places at present available for the purposes of shelter.

7. In these views the Board entirely concur, and, considering the trifling pecuniary advantage which would result from their sale, and the fact that the Government are put to no expense in keeping up Establishments at these places, they strongly recommend that the rest-houses be allowed to stand.

Under the circumstances represented by the Collector and agreeably to the recommendation of the Board of Revenue, the Right Honorable the Governor in Council is pleased to sanction the retention of the nine bungalows alluded to in the foregoing Proceedings.

Acting Secretary to Government.
