Order, no. 792 dated 7th August 1857

Ans. ⑤

Fort Saint George, Revenue Consultation of 11th August 1857.

No. 15. Read the following Extract from the Proceedings of the Board of Revenue ; dated 13th July 1857, No. 2371.

Read letter from the Collector of Sea Customs dated 8th July 1857.

(Here enter No. 218.)

The Custom House Rules having been originally framed under the authority of Government, the Board consider the sanction of Government necessary before any alteration is made in them.

2. The Board concur with the Collector that there is no necessity for allowing Passengers' baggage from Steamers to pass without examination or permit, and recommend that this privilege be withdrawn, at it appears to be abused.

3. The amended rule might then stand as follows "all baggage passing to the mail Steamers will pass without examination or permit," the privilege being conceded in these cases because such Steamers stay only a few hours in the roads.

4. The Board recommend that the alteration proposed may be authorized in anticipation of the revised edition of the Rules now in course of preparation in the Government Office.

No. 16. ORDER THEREON, No. 792; dated 7th August 1857.

Under the circumstances represented by the Collector of Sea Customs, the Board of Revenue recommend that the practice of allowing passengers' baggage from Steamers to pass without examination or permit be withdrawn, as it appears that the privilege has been abused. Private inconvenience will no doubt arise from the withdrawal of the concession granted to passengers by the Steamer, but as it appears that the privilege has been abused by some, there is no alternative but to withdraw it from all.

(Signed) H. FORBES,
Acting Secretary to Government.
