Fort Saint George, Revenue Consultation of 11th August 1857.

No. 20. Read the following letter from CECIL BEADON, Esq., Secretary to the Government of India; to H. FORBES, Esq., Acting Secretary to the Government of Fort St. George; dated Fort William the 17th July 1857. *No 1356*

Sir,

I am directed to acknowledge the receipt of your letter No. 572, dated the 10th Ultimo, and in reply to state that the Governor General in Council is unable under present circumstances to sanction the outlay of Rupees 55,000 for the purchase and preparation of a house for the Wards of the Madras Presidency.

2. His Lordship in Council desires me to take this opportunity of requesting that the Government of Fort St. George, will report how Act No. XXI of 1855 has worked hitherto, and whether its provisions are acceptable not only to those who are affected by it and to their relatives, but to the people at large.

No. 21. ORDER THEREON No. 795; dated 8th August 1857.

Ordered that a copy of the above letter and of that to which it is a reply be communicated to the Court of Wards with a request that they will furnish the report called for in para. 2 of the letter, from the Government of India, regarding the working of Act No. XXI. of 1855.

2. The Government take this opportunity of suggesting that the funds of some one of the Minor Zemindars might be invested in the purchase of Mr. Ouchterlony's premises, which will, they doubt not, considering their position and extent, be always very valuable property. Good interest on the outlay will be received in the shape of house rent to be paid by all the minors placed in the proposed institution. The Court of Wards will be good enough to give their opinion on this proposal, and to state from the funds of what estate they would propose that the property should be purchased.

(Signed) H. FORBES,
Acting Secretary to Government.
