Fort Saint George, Revenue Consultation of 11th August 1857.

No. 25. Read the following Extract from the Proceedings of the Board of Revenue; dated 30th July 1857, No. 2570.

Read letter from the Collector of Rajahmundry dated 10th July 1857,* stating that besides the Moturpha on Sheep and Goats, already remitted by Government, a similar tax is imposed on Cows and Buffaloes belonging to Shepherds, the abolition of which is recommended.

*In Cons. 30th July 1857.

(Here enter No. 88.)

In para. 12 of Extract Minutes Consultation dated 18th July 1856, No. 747, Government were pleased to abolish the Moturpha tax on Sheep and Goats in the Northern Circars, and to direct that if there were any cattle taxes in Rajahmundry and Masulipatam, besides the tax in question, they should be reported for orders with a view to their abolition also. It appears from the letter recorded above that a similar tax is imposed on the Buffoloes and Cows of Shepherds in Rajahmundry at the rates specified in the margin, the tax itself aggregating Rupees 1,190-5-10 according to the demand in Fusly 1265, 1855-56. The Board beg to bring this impost to the notice of Government in view to its abolition in accordance with the intention expressed in Extract Minutes Consultation mentioned above. It will be seen that the Collector recommends its relinquishment.

No. 26. ORDER THEREON, No. 798; dated 10th August 1857.

With the Proceedings above recorded, the Board submit a letter from the Collector of Rajahmundry, stating, in reply to para. 12 of Extract Minutes of Consultation dated 18th July 1856, No. 747, that besides the Moturpha on sheep and goats which the Government were pleased to abolish in their order above alluded to, shepherds pay a similar tax on Buffaloes and Cows. The annual amount of revenue from this source is set down at Rupees 1,190. The Government consider that the imposition of this tax is objectionable, and they accordingly now authorize the total abolition of the tax in the Rajahmundry District from the commencement of the present fusly.

2. In the latter part of the 1st para. of his letter, Mr. Purvis says that the order of Government abolishing the Moturpha on sheep and goats, did not reach him in time to admit of arrangements being made to give effect to that order in fusly 1266. The Government observe that the order in question bears date the 18th July 1856 being the very first month of the fusly; and are therefore unable to see how it could not have reached the Collector in time to be acted upon during the last fusly. The Board will be good enough to state on what date the order was communicated by them to the Collector of Rajahmundry.

Acting Secretary to Government.
