Fort Saint George, Revenue Consultation of 25th August 1857.

No. 12. Read the following Papers.

From C. Lutchmeeragavappah Naidoo of Chittaty Polliem in Cottah Talook Nellore; to T. PYCROFT Esq., Chief Secretary to Government; dated Chittadoo 26th April 1857.

HONORED SIR,

I beg most respectfully to enclose for submission to the Right Honorable the Governor in Council my address to the Board of Revenue in the matter of my Poligar office. It is not for me to comment on the Proceedings of the Board, but I leave it entirely to His Lordship to see the justice or otherwise of the Board's decision. Simple as my request was, they have not complied with it, a perusal of the documents was all that I solicited, and it is that which I still seek for at the hands of Government.

If the precious moments of His Lordship will not permit of an examination into my claims, I most respectfully entreat that he will at least order a re-investigation of my case by the present Collector, and that if it should then appear that there is no ground for interference in the matter His Lordship in Council will at least be pleased to accede him permission to sue for the recovery of his right in the Civil Courts.

No. 1066 of 1857.

Referred to the Board of Revenue for brief report.

(By order.)

* *In Cons. 15th Sept.* 1853. Ordered that the letter dated 24th August 1853* received from the Collector of Nellore be forwarded for the information of Government with reference to the above Endorsement.

2. The Petitioner's opponent it will be seen is a descendant of the original family while Petitioner appears to be connected only by marriage, as shewn in para. 3 of his Petition No. 2 of 1856 presented to the Board, though in p. p. 9 and 10 of the same Petition the connetion by blood of the former is denied while Petitioner asserts that he holds a place in the line of direct descent.

No. 14. ORDER THEREON, No. 842; dated 21st August 1857.

This Petition was on the 16th of May 1857, forwarded for report to the Board of Revenue and in their Proceedings quoted above, the Board refer to a letter from the Collector of Nellore dated the 24th August 1853, as containing the information on which a decision hostile to Petitioner's claim was arrived at.

2. It would appear that in giving his opinion, the Collector relied mainly upon information given by the Zemindar of Vencatagherry, and the Government are of opinion that the Petitioner's case has not received that full attention which is its due.

3. They resolve therefore to request the Board to instruct the present Acting Collector to investigate the case *de nova*, and to report upon it to the Board after fully satisfying himself of the relationship to the original family of all claimants in the case.

(Signed) H. FORBES,
Acting Secretary to Government.
