Fort Saint George, Revenue Consultation of 25th August 1857.

No. 31. Read the following Extract from the Proceedings of the Board of Revenue; dated 10th August 1857, No. 2661.

Read letter from the Acting Collector of Tanjore dated 24th July 1857 forwarding correspondence with the Civil Auditor and requesting the sanction of Government to continue an arrangement in his Cutcherry Establishment made some years ago but now objected to by the Civil Auditor.

(Here enter No. 116.)

From the foregoing correspondence it appears that the Civil Auditor objects to pass the salaries (amounting in the aggregate to Rupees 579) of 93 servants of the Naut Curnum Establishment in the Tanjore District, on the ground that their transfer from the talooks to the Hoozoor has not received the sanction of higher authority.

2. The Acting Collector explains that the alteration was made in 1851 to meet the heavy current work of the Hoozoor and to afford the means of detailing servants to other talooks for the purpose of check examination. The arrangement has continued ever since and cannot be dispensed with without impeding the usual business of the Native Cutcherry.

3. The Board observe that the transfers should not have been made without the approval of the Board and Government, but as the alteration appears necessary they recommend that it may be sanctioned, revised Statements of the Hoozoor and talook-establishments being submitted for information.

No. 32.

ORDER THEREON No. 851; dated 24th August 1857.

From the correspondence submitted with these proceedings, it appears that 93 servants of the Naut Curnum establishment in Tanjore were transferred from the talooks to the Hoozoor, with a view to meet the heavy current work in the Collector's office, and to afford the means of detailing servants to the talooks for the purpose of check examination. The transfer was made by the Collector Mr. Bishop in 1851, and has since continued, but is now objected to by the Civil Auditor, on the ground that it has not received the sanction of Government.

2. As the arrangement involves no additional expense, and is represented to be absolutely necessary for the efficient performance of the business of the Collector's Cutcherry, the Right Honorable the Governor in Council is pleased to sanction its continuance; but as observed by the Board, the transfer ought not to have been made, without the previous approval of that authority and of Government.
