2. In the letter above recorded, the Collector states that the orders of Government were not received in sufficient time to enable him to place the parties in possession of the new lands before the end of the Fusly 1265 and he, therefore, requests authority to pay them the collections of that Fusly also. He also mentions that an error has been discovered by actual measurement in the extent of the lands of Gangaloo and 2 others in the village of Stroongarum and that the sum payable to them is only Rs. 36 1. instead of 49 6. as previously stated. The difference Rs 13. 3. for Fusly 1264 was paid to them before the error was detected, but has since been recovered and the correct amount payable to them and the other parties named in the margin of para 3 of Extract Minutes Consultation above referred to for Fusly 1265 is Rs. 289 1.

3. The Board recommend that the Collector may be authorized to transfer this amount, which was realized from
