Fort Saint George, Revenue Consultation of 1st September 1857.

No. 21. Read the following letter from H. RICKETTS, Esq., Commissioner for the revision of Civil Salaries, &c.; to the Secretary to Government of Madras; dated Ootacamund, the 17th August 1857, No. 1173.

SIR,

I request that instructions may be sent to the officer or officers most competent to furnish the information, to acquaint me where the tents usually made use of in the Civil Department are procured, and at what cost for each sort of tent.

Ordered that the following reply be despatched.

No. 22. From H. FORBES, Esq., Acting Secretary to the Government of Fort St. George; to H. RICKETTS, Esq., Commissioner for the revision of Civil Salaries and Establishments throughout India; dated 31st August 1857, No. 874.

SIR,

I have had the honor to receive your letter of the 17th Instant, No. 1173.

2. I am not able to point out to you any officer more competent than another to give you the information you require regarding the tents usually made use of by the Civil Department.

3. You are aware that in this Presidency all Civil officers provide tents both for themselves and their establishments at their own cost. The tents are strictly private property, and each officer procures them where he pleases, and in number and description consults the requirements of the establishment over which he may at the time preside. Some gentlemen procure tents from Futtyghur, some from Jubbulpore, some from Salem, some from Masulipatam, and some probably, having obtained a good pattern, make up others at their own station.

4. The cost of tents, like that of every thing else, varies with their description and their workmanship, and on this point I can only refer you to the published price list, of the Jubbulpore manufactory, reminding you that carriage to Madras must be added to the original cost.
