2. In Extract Minutes Consultation 28th August 1854, No. 1015, Revenue Department, this enam with some other service grants, was authorized to be "applied to the purposes for which they were originally granted;" but from the letter recorded above, it appears that the enam in question passed out of the grantee's family by gift in 1807, and has since then been separated from the office to which it was originally attached, and that the parties, who now lay claim to it, are in the enjoyment of other service enams in addition to fees, which the Collector thinks more than sufficient for their remuneration.
