Fort Saint George, Revenue Consultation of 8th September 1857.

No. 23. Read the following Extract from the Proceedings of the Board of Revenue; dated 28th August 1857, No. 2879.

Read the following letter from C. WHITTINGHAM, Esq., Collector of North Arcot; to J. D. SIM, Esq., Acting Secretary to the Board of Revenue, Fort St. George, dated Chittoor 26th August 1857, No. 216.

SIR,

Mr. Sullivan, the Sub-Collector, has brought to my notice that the talook Treasury at Pullecondah is not so securely situated as is desirable, and that he considers with reference to the prevalence of crime in this District and the unusually large amount that is now kept in the talook Treasury for Railway expenditure that it would be expedient to add to the present strength of the talook guard which is insufficient even under ordinary circumstances. He proposes to entertain temporarily as an additional guard, ten pensioned sepoys on a salary of 3 Rupees each, and a Havildar on 4 Rupees per mensem.

2. Under the circumstances mentioned by the Sub-Collector, I have the honor to recommend his proposal to the favorable consideration of the Board, and to request that the sanction of Government may be obtained for the measure.

Resolved that the above letter be laid before Government, with the Board's recommendation that sanction may be granted for the entertainment as a temporary measure of 10 pensioned Sepoys and a Havildar as an additional guard for the Public Treasury.

2. The Collector should have mentioned the strength of the ordinary Treasury guard and the period during which the additional guard is likely to be required.
