2C

Fort Saint George, Revenue Consultation of 8th September 1857.

No. 29. Read the following Extract from the Proceedings of the Board of Revenue ; dated 19th August 1857, No. 2756.

* *In Cons. 19th August* 1857.

Read letter from the Collector of South Arcot dated 4th June 1857,* soliciting instructions as to the disposal of the fees collected from travellers at the bungalows of Tindivanum and Oolundoorpett.

(Here enter No. 112.)

Ordered that the above letter be submitted for the orders of Government.

2. These bungalows have been supplied with furniture and crockery, and servants have been entertained for them as directed in Extract Minutes Consultation dated 19th February 1857, No. 183, Revenue Department.

3. As this question is likely to be one of frequent reference when the arrangements for the introduction of the Bengal system into this Presidency have been further introduced, the Board consider that a uniform practice should obtain in all the Districts, and they would therefore suggest that Collectors be required to place to the credit of Government all sums received as fees from travellers, and that they be authorized to expend such small sums as those adverted to in para. 2 of the letter under submission, under the head of contingent charges, keeping a separate account showing how the scheme works.

(A true Extract.)

(Signed) L. FORBES,
Acting Sub-Secretary.

No. 30. ORDER THEREON, No. 894 ; dated 7th September 1857.

The Government approve of the course suggested by the Board of Revenue in the above letter, of placing all sums collected at Public bungalows to the credit of Government. These receipts should be exhibited in the Collector's accounts under a separate head of " Fees on account of travellers' bungalows." The Collectors may also be authorized to expend small sums not exceeding 20 Rupees on account of contingent charges connected with the bungalows, and to debit the same to the head above alluded to, keeping a separate account of these transactions in order to shew the working of the system. It must however be understood that the expenditure on this account is not to exceed the sum received as fees.

(Signed) H. FORBES,
Acting Secretary to Government.
