Fort Saint George, Revenue Consultation of 8th September 1857.

No. 47. Read the following letter from H. NEWILL, Esq., Superintendent of Settlement for the General Survey; to E. MALTBY, Esq., Acting Chief Secretary to Government dated Madras 19th August 1857, No. 6.

SIR,

In reporting that I entered on 13th Instant upon the duties of my appointment of Superintendent of Settlements notified in the Fort Saint George Gazette of 21st Ultimo, I have the honor to request instructions as to the salary, house rent, tentage or travelling allowance to be drawn by me, and the date from which the same should commence. I made overcharge of the Guntoor District to my successor on 3d Instant, and having no permanent situation would request to be instructed as to whether I should in the interval between arriving at Madras fall back upon the consolidated allowance in lieu of the salary of Assistant Commissioner for the Northern Circars.

2. My entry upon my new duties was reported at the time to the Civil Auditor, and as I have since learnt it was an oversight on my part not to have intimated the same formally to your office.

No. 48. ORDER THEREON, No. 903; dated 8th September 1857.

Resolved that the question as to the salary Mr. Newill should draw in the interval between his leaving Guntoor and assuming his new office, be referred for the report of the Civil Auditor.

2. As regards the rest, the Governor in Council is of opinion that Mr. Newill is not entitled to house rent, which is not drawn by any officer above the grade of a Head Assistant Collector, and he considers that the fixed and extra tent allowance of a Collector will suffice to meet all Mr. Newill's expenses in travelling. The fixed tent allowance will be drawn only while tents are bonâ fide kept up.

(Signed) H. FORBES,
Acting Secretary to Government.
